

JUSTICE LEAGUE OF CANADA.

Canada is in dire need of superheroes. Thankfully, the government has entrusted this very important task to you. Your job is to create the perfect superhero to help protect Canada from supervillains such as the evil Professor Driscoll and Sleeveless T. To create this hero, you will need to rely upon the powers of asexual reproduction because that is the technology currently available to Canada. Here are the details of your assignment:

What form of asexual reproduction does your hero use? Describe the details of this form of asexual reproduction /6

Describe how that form of asexual reproduction can be used as a super power. /4

Draw and colour a picture of your superhero. /5
